Advanced Lighting Technologies, LLC Announces The Promotion Of Gautam Gundiah To President Of APL Engineered Materials, Inc.

Urbana, Illinois - August 27, 2018 – Advanced Lighting Technologies, LLC (“ADLT”) announced today the promotion of Gautam Gundiah as the President of APL Engineered Materials, Inc. (“APL”), the wholly owned subsidiary of ADLT. Mr. Gundiah held the position of Director, R&D and Operations, at APL for the last 3.5 years. He brings to this role his expertise in research, business development and product management. Over the last 3 years, he has been working closely with our customers to ensure that our products meet their specifications and has managed the development of new products to meet their needs. ADLT is excited to promote Gautam and expects that his abilities will enhance product offerings, as well as, customer relationships.

###

About Advanced Lighting Technologies:

ADLT is an innovation-driven designer, manufacturer and marketer of energy efficient commercial lighting products, components and systems as well as highly engineered materials, including specialty chemicals, and precision glass optics and thin film coatings.
